

# When you sponsor a child at KidStock your gift of \$35 gives them six things:

# KidStock

Here in the mountains families struggle to provide even the most basic materials for their children. Your tax deductible gift of \$35 is a tangible expression of God's love that will provide a school age child with a backpack filled with school supplies, new shoes, new socks, a fun family event and more importantly... the chance to hear the world's most powerful message.

## Sponsorship Form
