God's Appalachian Partnership (GAP) assists parents who are in need in Eastern Kentucky by helping them give their children quality gifts each Christmas. In December, parents are given an opportunity to go through our toy room and select gifts to give to their children on Christmas day. The giving of these toys opens the door for us to share the real meaning of Christmas with each family who participates.

Children also get an opportunity to pick out gifts for their parents during our Children's Christmas Store. Mission team members assist the children in picking out gifts and wrapping them while their parents are treated to snacks as they wait. During this time, the mission team also shares the story of Christmas through a special presentation to both the children and their parents.

$32 of each tax deductible sponsorship will be used to purchase gifts and $3 will be used to cover the costs of running the Christmas Project.
